Dear Parent/Guardian:

*Children need healthy meals to learn. **Wynford Local Schools** offers healthy meals every school day. Breakfast will be free to all students attending Bucyrus City Schools. Your children may qualify for free meals or for reduced price meals. Reduced price is **\$.40** and **\$2.60** for Pre-K to 5th grades and **\$2.85** for 6th – 12th grades for lunch.*

1. Do I need to fill out an application for each child? No. Complete the application to apply for free or reduced price meals. **Use one Free and Reduced Price School Meals Application for all students in your household.** We cannot approve an application that is not complete, so be sure to fill out all required information. **Return the completed application to: Wynford Food Service 3288 Holmes Center Rd, Bucyrus Ohio 44820, PH 419.562.7828.**

2. Who can get free meals? All children in households receiving benefits through the Supplemental Nutrition Assistance Program (SNAP) or Ohio Works First (OWF) benefits can get free meals regardless of your income. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Guidelines.

STOP! If you have received a NOTICE OF DIRECT CERTIFICATION for free meals, **do not** complete the application. But **do** let the school know if any children in your household are not listed on the Notice of Direct Certification letter you received.

3. Can foster children get free meals? Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income.

4. Can homeless, runaway and migrant children get free meals? Yes, children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you have not been told your children will get free meals, please call or email **Caleb Duty @ WES 419-562-7828** to see if they qualify.

5. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Eligibility Income Chart shown on this application.

6. Should I fill out an application if I received a letter this school year saying my children are approved for free meals? Please read the letter you got carefully and follow the instructions. Call the food service office at 419-562-5355 if you have questions.

7. My Child's application was approved last year. Do I need to fill out another one? Yes. Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

8. I get WIC. Can my child(ren) get free meals? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.

9. Will the information I give be checked? Yes, we may ask you to send written proof.

10. If I don't qualify now, may I apply later? Yes. You may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.

11. What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to: **Steve Mohr, 3288 Holmes Center Rd Bucyrus, OH 44820, Phone 419-562-7828.**

12. May I apply if someone in my household is not a U.S. citizen? Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced price meals.

13. Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children who live with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.

14. What if my income is not always the same? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

15. We are in the military, do we include our housing allowance as income? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.

16. My Spouse is deployed to a combat zone. Is her combat pay counted as income? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.

17. Why am I being asked about giving my consent for an instructional fee waiver? Ohio public schools are required to waive the school instructional fees for children who qualify for free meal benefits. School Food Service personnel must have parent consent to share student meal application if your child(ren) qualify for a fee waiver. If you agree to allow your child(ren)'s meal application to be shared with school officials to see if he/she/they qualifies for a fee waiver then check "yes" in part 5. If you do not wish for that information to be shared, then check "no" in part 5. Answering no to this question will mean your child will not be able to be considered for a fee waiver. Answering this question either way will not change whether your child(ren) will get free or reduced price meals.

18. My Family needs more help. Are there other programs we might apply for? To find out how to apply for Ohio SNAP or other assistance benefits, contact your local assistance office or call 877-852-0010.

If you have other questions or need help, call **419-562-7828 ext.201**

Your children may qualify for free or reduced-price meals if your household income falls at or below the limits on this chart.

Privacy Act Statement: This explains how we will use the information you give us.

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The social security number is not required when you apply

on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs.

We *may* share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

While disclosure of the last 4 digits of a social security number is voluntary the National School Lunch Act requires the last 4 digits of a social security number or an indication of "none" for approval of the application.

Dear Parent/Guardian:

If your children get free or reduced price school meals, they may also be able to get free or low-cost health insurance through Medicaid or the State of Ohio Healthy Start, Healthy Families Program. Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

Because health insurance is so important to children's well-being, **the law allows us to tell Medicaid and *Healthy Start, Healthy Families* that your children are eligible for free or reduced price meals, unless you tell us not to.** Medicaid and *Healthy Start, Healthy Families* only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Free and Reduced Price School Meals Application does not automatically enroll your children in health insurance.
